Game. Set. Match.

The Arbor Fitness Center houses ten state-of-the-art tennis courts at On Top of the World. Surfaced with Plexi-cushion Prestige Cushion Acrylic, this premiere surfacing ensures the highest quality of play for active-adults due to their multi-layered support which reduces harsh body impact. Eight of the courts are equipped with lights, so the match doesn't have to stop when the sun goes down!

Whether you are new to the game or want to perfect your technique, let our Tennis Pro help you! Varying from all skill levels, you can conveniently schedule a private or group lesson and enjoy the many clinics offered throughout the year.

The fun doesn't stop there! If you are looking for friendly competition, community meets are regularly scheduled against fellow leagues, and courts are open for play after scheduled activities.

Another sport offered at The Arbors is POP Tennis. This sport is identical to traditional Tennis, but it is easier to learn and play!

On Top of the World knows the importance of having an on staff tennis pro. Private, semi-private and group lessons are available along with planned tennis tournaments, intercommunity tennis leagues and programs, including Round Robins, Ladders and other activities.
